

First National Bank of Coleraine Special Notice
COVID-19 Preparedness

As we continue to closely monitor the development of the COVID-19 Coronavirus I want to inform our customers and public that we have taken steps to protect your health, our employee health and the delivery of financial services. This is our number one priority as an essential financial service provider in our community.

As of Wednesday March 18th, our bank lobbies will be closed to walk-in traffic. Our Drive-in lanes will remain open for walk up or vehicle transaction processing.

We are accepting appointments for loan discussions, Insurance issues, Safe Deposit viewing and other requests that cannot be managed through the Drive-in banking lanes, phone, ATM's, or online banking channels.

Coleraine Office: 218-245-1272

LaPrairie Office: 218-327-1101

First National Agency: 218-245-1299

Telephone Banking: 218-245-4000

The First National Bank of Coleraine has excellent mobile and online banking services. Debit cards can be a very efficient and sanitary form of payment. Please utilize these as a very good way to keep your social distance.

Please consider downloading our Card Valet app for your debit card, it gives you controls to help prevent fraudulent use of your card information.

We will continue to monitor the situation so please check back for updates.

Stay safe and healthy!
